

# Caribbean Centre for Renewable Energy and Energy Efficiency

Launch of the

## PROJECT PREPARATION FACILITY

November 25<sup>th</sup>, 2020

Presented by: Charlin Bodley

Project Development and Gender Expert, CCREEE

**The CCREEE's value proposition**

Connecting the dots

1

**Project Preparation Support**

Meeting the region's needs

2

**The CCREEE PPF**

Its service offerings

3

**The CCREEE PPF**

The business process & eligibility

4

**CONTENTS**

# CCREEE: Responding to the region's needs

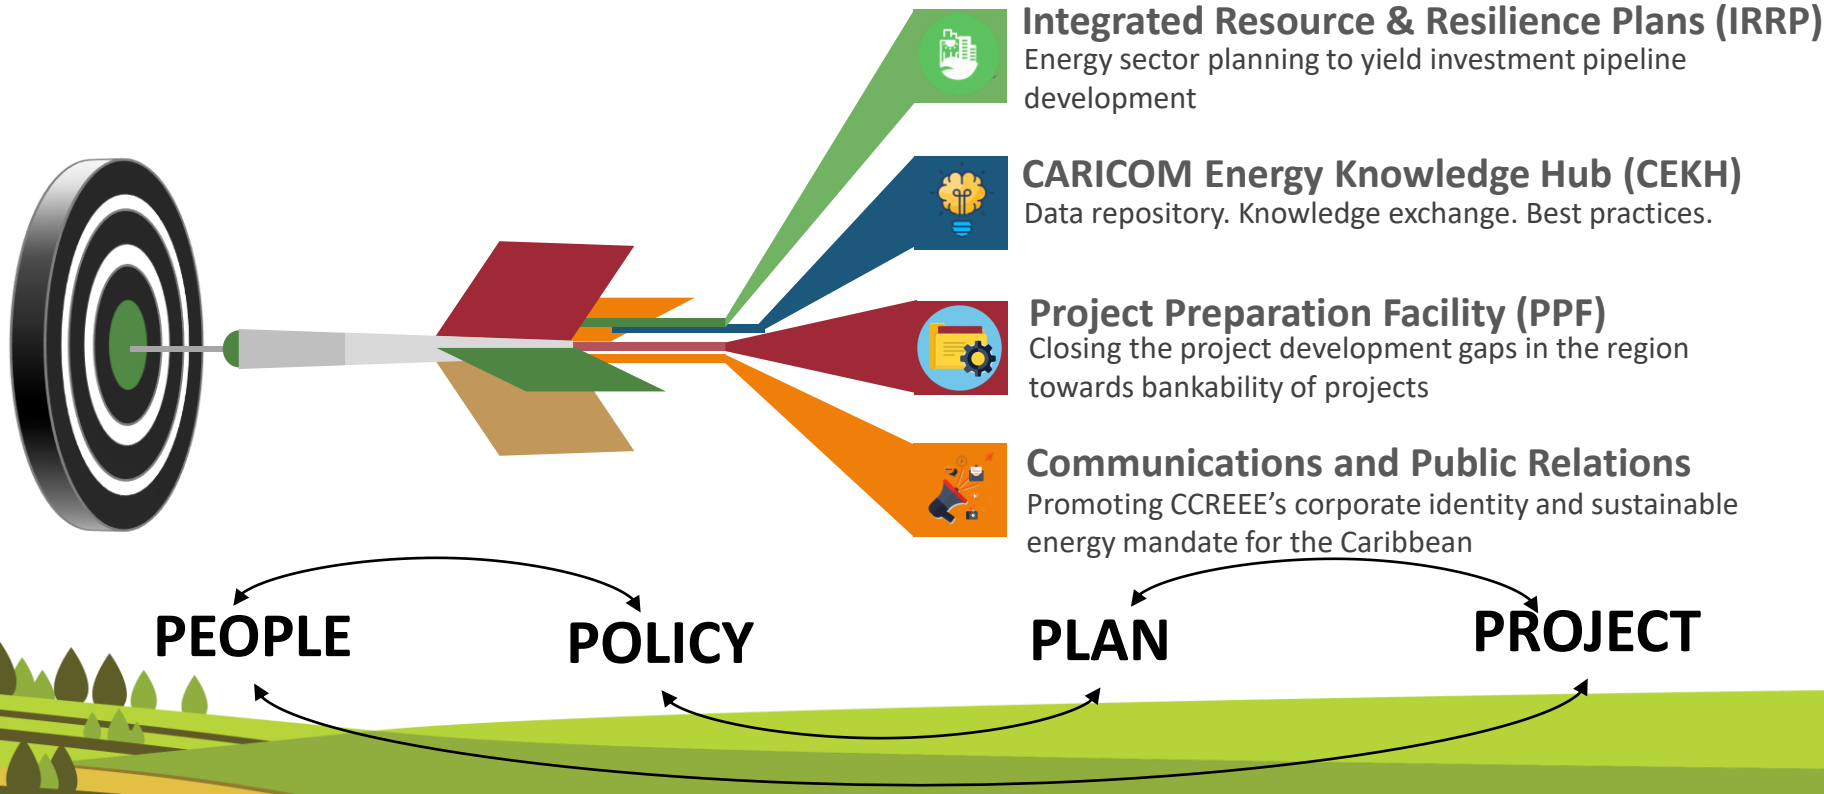

7 strategic programme areas:

Responding to project development needs:

- Increased financing mechanisms to match RE and EE project needs
- Legal and enabling environment
- Expertise to prepare project development documentation
- Mobilization of the private sector
- Technical human capacity
- Development of pilot projects

# How we're Connecting the Dots...

# CCREEE PPF

Support projects in getting finance through:

Provision of TA and advisory services for project advancement towards practical investments

Match-making services through specialised investment and business promotion forum

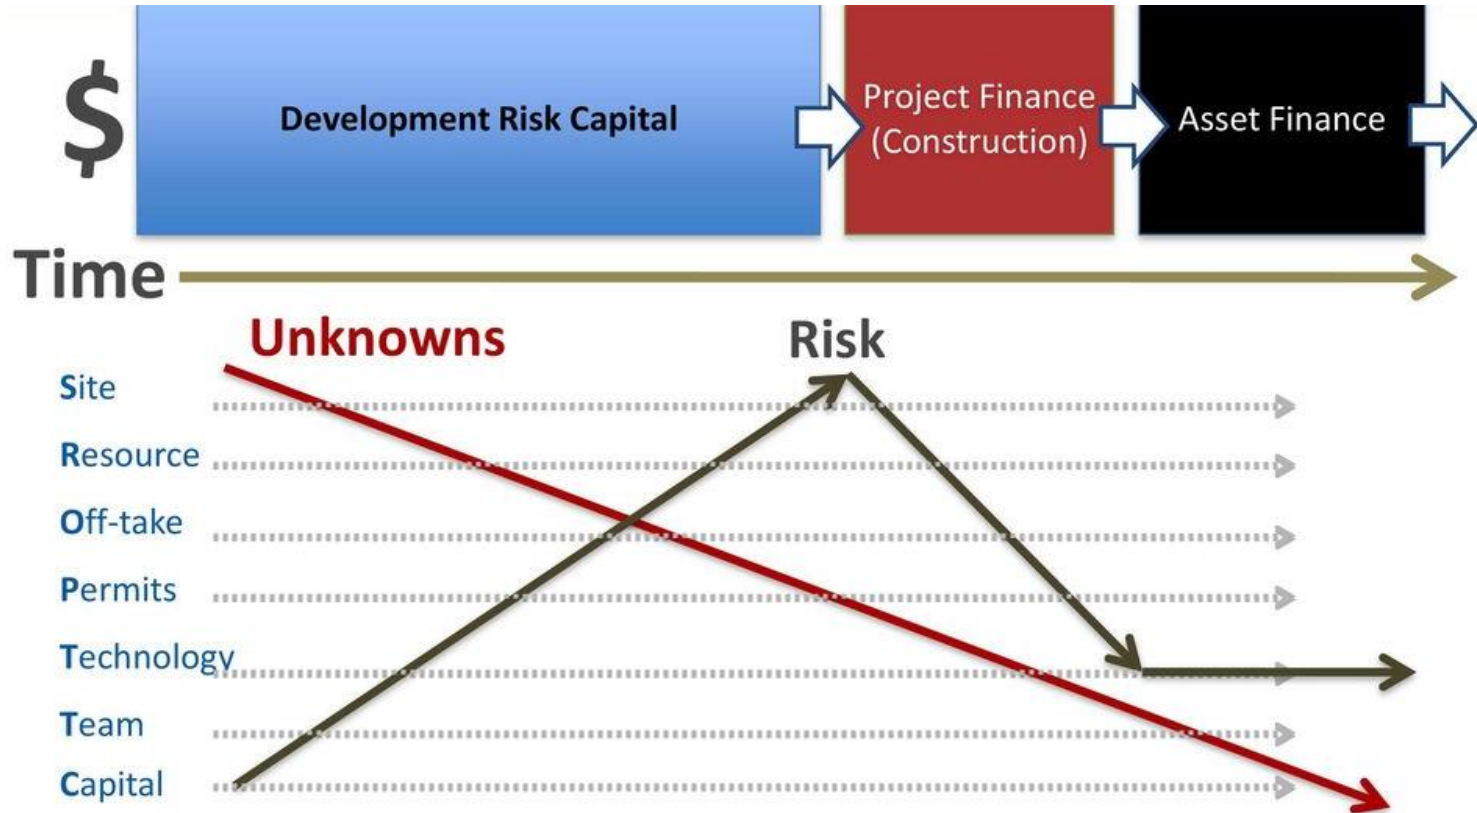

Maintenance and expansion regional project pipeline to showcase economies of scale to attract funding sources

Cooperation with global, LAC and regional focused programmes initiatives and projects through cooperation agreements

Support to financial institutions to build capacity in sustainable energy projects and developing financial instruments to support them

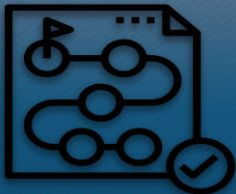

# Project development and risk
