

PROCUREMENT CLARIFICATION DOCUMENT

Procurement Type: Call for Expressions of Interest (EOI) for a Pool of Consultants

Clarification Response Date: 25th January 2022

QUERY	CCREEE RESPONSE
1. Can you please clarify if international companies can apply for the pool?	Applications are only open to consultants and firms from CARICOM Member States and non-CARICOM Caribbean countries.
2. Could you please confirm if the consulting firm needs to be established in one of the Member States?	A consulting firm needs to be established either within a CARICOM Member State or a non-CARICOM Caribbean country. In the case of the latter, the firm will need to provide proof of relevant affiliation or working experience with experts in CARICOM Member States.
3. Could you please explain more about terms of affiliation with a CARICOM Member State expert?	An individual or a consulting firm is considered to be affiliated with a CARICOM Member State expert if they can provide proof of working relationships, including agreements with CARICOM experts who will be working closely with them if inducted into the CCREEE pool of consultants.
4. I represent a team of energy consultants in the UK. Could you please send me further information relating to your requirement for a pool of energy consultants?	Please see the response to Query 1: Applications are only open to consultants and firms from CARICOM Member States and non-CARICOM Caribbean countries. All other specifications on the requirements for the pool of consultants can be found within the Terms of Reference of the call for EOI.
